Azad Properties Istanbul We had the privilege to work with Azad Properties based in Istanbul when we applied for our Turkish citizenship. We have found them to be an extremely professional unit. The entire process of buying the properties and the applying process was handled with utmost care. The follow up post receipt of our documents has also been diligently done and all accounts properly submitted. Mr. Shaan Agha (also the partner/owner) leads a very dedicated team. He is very pleasing personality and easy to work with. We wish them continued success.

REAL ESTATE INVESTMENT. PROPERTY MANAGEMENT. CONSULTANCY.

Property viewing and filtering, executing sales contracts and receiving Title Deeds and property management are the core services of Azad Properties.

We are one of the few companies that allows foreign investors to invest directly in the local secondary market, guiding investors through this process to make the choice most suited to their needs.

Property management includes maintenance, rentals both long term and short term. Sale is also extended to its clients.

We also provide Turkish Citizenship and Residence consultancy to foreigners through the investor program.

Azad Properties is a one-stop shop for investors in the Turkish Real Estate market.

We fill the cracks that are created through language and cultural barriers meshed in the Turkish bureaucracy that can sometimes overwhelm foreign buyers. We pride ourselves in playing the part that puts the puzzle together.

Our core aim is to build life-long relationships with our clients. And mission is to excel in customer service, grow client capital and exceed investor expectations.
