Best property Güllük Villas in Muğla - APA34275

New outstanding villas in Muğla
Suitable for Citizenship and Investment , unique design , private pool and parking area .

A boutique project consisting of only 44 detached villas with pools.
While our project was being planned, we aimed to create a life style in which the family has neighborly relations with the calm landscape in nature.
Orange and olive trees, which continue their natural life, take their place in your garden. A unity was established between the living spaces outside and the living spaces inside. I integrated with the natural environment by using natural stones and wood-weighted materials.
Smart home systems that you can manage remotely by using the possibilities of technology have been integrated into the project.

Azad Properties Istanbul We had the privilege to work with Azad Properties based in Istanbul when we applied for our Turkish citizenship. We have found them to be an extremely professional unit. The entire process of buying the properties and the applying process was handled with utmost care. The follow up post receipt of our documents has also been diligently done and all accounts properly submitted. Mr. Shaan Agha (also the partner/owner) leads a very dedicated team. He is very pleasing personality and easy to work with. We wish them continued success.
