Azad Properties Istanbul We had the privilege to work with Azad Properties based in Istanbul when we applied for our Turkish citizenship. We have found them to be an extremely professional unit. The entire process of buying the properties and the applying process was handled with utmost care. The follow up post receipt of our documents has also been diligently done and all accounts properly submitted. Mr. Shaan Agha (also the partner/owner) leads a very dedicated team. He is very pleasing personality and easy to work with. We wish them continued success.

Imran Javed, Pakistan

From the moment I landed in Istanbul to the end of my stay there, I never got the feeling of being alone in a foreign land. Got excellent advice for making the right investment and all the necessary paperwork was handled in the most professional way. I thank you all at Azad properties for your support and help in buying the property and also for taking care of all other matters such as hotel bookings, airport pick and drop, etc. Yes, I'd like to remain anonymous. Thank you.
