Azad Properties Istanbul We had the privilege to work with Azad Properties based in Istanbul when we applied for our Turkish citizenship. We have found them to be an extremely professional unit. The entire process of buying the properties and the applying process was handled with utmost care. The follow up post receipt of our documents has also been diligently done and all accounts properly submitted. Mr. Shaan Agha (also the partner/owner) leads a very dedicated team. He is very pleasing personality and easy to work with. We wish them continued success.
